School of Medicine, Dentistry and Biomedical Sciences Fully Funded Short Course Training Options

The School of Medicine, Dentistry and Biomedical Sciences is delighted to announce that fully - funded places are available for January 2024 entry for their short course training options:

- Strategic Management and Leadership in Primary Care
- Social Model for Health and Wellbeing in Primary and Community Care

Why apply?

- Build on their strategic management and leadership skills.
- Focus on translating and implementing organisational strategy into effective operational performance.
- Access cutting edge project management and leadership thinking and knowledge.
- Learn coaching skills and techniques as part of their leadership toolkit.
- Learn about the social model of health and its role in community-based services such as social prescribing.

Eligibility requirements:

- To be eligible for this programme, applicants must work in a primary care or community setting and have a primary degree or equivalent.
- The minimum academic requirement is a Second-Class Honours degree from a UK or Republic of Ireland (ROI) Higher Education Provider or an equivalent qualification acceptable to the University.
- Recognition of prior experiential learning (RPEL) is permitted.

Deadline for applications:

Monday 13th November 2023

Applications are made online via the Direct Application Portal (qub.ac.uk/pgapply)
